## COCKTAILS

Here at Verve we LOVE Tequila. In case you don't, we can use a substitute in any of our cocktails to create something equally as tasty!

### TOMMY'S MARGARITA £8

Think Tequila? Think Margarita, a true classic made with Tequila, lime juice, and Agave. With or without the salt, it's a guaranteed thirst quencher.

### ALTOS VIEJO £8

This one is for the refined tequila drinker. Golden Tequila stirred down with agave and chocolate bitters into a tippie that's boozy and delicious. Yes, please.

### TEQUILA SUNRISE £8

Who says Tequila can't make a fruity drink? A tropical mix of Tequila, orange juice, and Grenadine. So good, you'll be drinking them 'til sunrise.

### JUAN COLLINS £8

The classic Tom Collins just went a little bit Mexicana. Tequila, lime, and agave, topped with soda. Sparkling, refreshing, classic.

### MEXICAN PORNSTAR £8

The drink we all know and love with a Verve twist! A sweet, familiar flavour of passionfruit mixed with Tequila, lime, and vanilla liqueur makes for a refreshing tippie! A pornstar is not a pornstar without a shot of prosecco.

### PALOMA £8

Paloma is the one for when you need an extra special drink. Tequila and lime, topped with Ting grapefruit soda. T'is the best "Ting" in town.

### MEXICAN FROZEN PORNSTAR £7

The drink we all know and love with a Verve frozen twist! A sweet, familiar flavour of passionfruit mixed with Tequila, lime juice, and vanilla liqueur makes for a refreshing frozen tippie! A pornstar is not a pornstar without a shot of prosecco.

### TOMMY'S FROZEN MARGARITA £7

Think Tequila? Think Margarita, and Think Frozen? A true classic made with Tequila, lime juice, and Agave. With or without the salt, this frozen delight is a guaranteed thirst quencher.
